

# PRESS RELEASE

**London 8th june 2020** - The new edition of Fest'in Motion will take place from 7th to 9th of August 2020 at the Citadelle of Calais. 15 000 festival participants will be there to watch the broadcast of 15 animation films in front of a professional jury where you'll find Michel Ocelot, ZEP and Bill Plympton. The jury will give many prizes just like sound prize, scenario prize, technical prize and so on. Ferdinand Saniez, who is the organizer, will be in charge of the opening ceremony. You will see animation films, but also stands where you'll exchange with realisation teams and professionals. This competition will also be rythmed by activities and conferences.

Fest'in Motion is the second french animation film festival, it has the goal to share and let discover animation to participants. The organizers want to give a chance to amateurs. It's a springboard for young creators.

The event wants to share a convivial and creative atmosphere, to gather families and friends for a week-end of entertainment. If you are interested, you can have more informations and get tickets on their website:
